Message from the Jolly Organizers - rpicard@bluewin.ch

Subject: Tariff Differentiation – JO Winter Seminar 2026

As mentioned in the initial information, a tariff differentiation will be implemented for the JO Winter Seminar 2026.

A **3-day participation option**, as an alternative to full attendance, will be offered with a **CHF 100.– discount**.

This option applies **only to SCSC members and non-SCSC members**.

If this applies to you, notify Roger Picard at : rpicard@bluewin.ch

The other participant categories are already offered at a very low price and are therefore not concerned by this adjustment.
