01.09.2025

*Dear SCSC members,*

*We have encountered scheduling issues for our 2026 ski seminar.*

*The Hotel Alpina in Grimentz is unable to offer rooms for Friday night.*

*We tried our luck with other hotels, but without success. Watch out for the 2027 seminar, it might be in a brand new place.*

*So, for fourth time in a row, at the destination that received the most favorable reviews from you, the **JO winter Seminar 2026** will take place*

- *In **Grimentz**, Valais*
- *At the hotel **Alpina** for the rooms and*
- *at the **gym** for the venue*
- *From **Tuesday March 3 to Friday March 6***  
*Booking is open at the hotel*

*We are still in negotiations with promising speakers, nothing is final yet, but we can assure you that you will not regret making the trip.*

*In view of these circumstances, we consider making it possible for the participants to register for the 4 days (Tuesday to Friday) or only for 3 days (Wednesday to Friday), with different registration fees.*

*Best regards, rp&pr*
