## Michael Wettstein

Dr. med. Michael Wettstein, Professor (MA), former senior lecturer and associate doctor at the CHUV (CH), trained in orthopaedic and trauma surgery at the CHUV/ Hôpital Orthopédique de Lausanne and the Hôpital de Morges. After a fellowship in hip surgery at Saarland University Hospital in Homburg (Germany), he was appointed associate doctor and senior lecturer in the university department in Lausanne. As Medical Director of the Institut de Traumatologie et d'Orthopédie du Léman Suisse (ITOLS), his clinical, research and teaching activities focus on hip pathologies. He is also a registered doctor at Rennaz Hospital

## Sarah Dion

Dr Dion graduated from the Université du Québec à Trois-Rivières in Trois-Rivières in 2013.

She then completed a full-time three-year residency in diagnostic imaging at the Canadian Memorial Chiropractic College in Toronto, where she acquired clinical experience during several orthopedic and chiropractic placements in different hospitals.

Dr. Dion has observed several chiropractic, medical and musculoskeletal radiologists, mainly in Canada, the United States and Australia. She graduated as a chiropractic radiologist (DACBR) in September 2016.

After graduating, she became an imaging consultant volunteer for World Spine Care. She practiced as a chiropractor in private practice for approximately one year in Oakville, Ontario.

From October 2017 until January 2024, she was working as a full-time professor at the Institut Franco-Européen de Chiropraxie (IFEC), in France, where she was teaching courses in radiology.

She is also giving continuing education to various chiropractic groups, such as interns and chiropractors in various European countries, such as Switzerland, Spain, Denmark, Belgium, Italy and Germany.

Dre. Dion was also a peer review for the radiology stations of the Swiss Federal chiropractic exam in 2019 and 2020.

Dr. Dion is now practicing full-time as a chiropractor in a private practice in Québec and continues to give continuing education to chiropractors.
